Hello Everyone,

Our 20th Annual Buick-Pontiac-GMC Car show is scheduled for Sunday, June 10th at the dealership here in Nashua.

Members of the Minuteman and Nor-Eastern Chapters have been working extremely hard behind the scenes to make this event a fun and exciting day for your whole family.

For those of you who have attended in the past, you know that this is a return to the dealership after many years, with the goal being to have a relaxing day, enjoying all the vehicles, people, and good times this show has to offer.

By returning the venue to the dealership, we have the advantage of rescheduling in the event of inclement weather. This also provides the added advantage of a swap meet area to allow for the sale of automotive related parts/accessories.

Please spread the word about this year's show.

Happy Buick, Pontiac, and GMC Motoring!
Mark M. Tulley

Note: In the event of inclement weather, the show committee reserves the right to reschedule the event to the rain date of 6/24. We will make every effort to notify participants.
